

Pencil Case

Katharina Krenkel

Difficulty Level

Materials

MATERIALS

2 balls **Anchor Magiline** #1520

NEEDLES & EXTRAS

One 3.5-4 mm [size E/4-G/6] Milward crochet hook; 2 crown corks; 1 Opti zipper #00027, 25 cm long Art. 4800000; one Milward darning needle and one Milward sewing needle; Coats Duett sewing thread # 05563 Art. 4644100

ABBREVIATIONS

ch = chain; dc = double crochet

Size

Pencil case about 30 cm long

Instructions

METHOD

crochet 50 ch + 1 ch for turning. Work 42 rows dc. The item now measures about 21 cm in length.

TO MAKE UP

before pulling up the shot sides, sew the zipper in position along long sides with Coats Polyester yarn. Then sew sides together using stitches about 1.5 cm long. Close seams along either side of zipper before neatening threads. Crochet around crown caps as foll: cast on 2 ch.

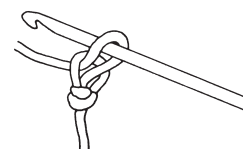

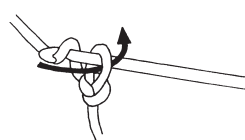

Round 1: 5 dc

Round 2: work dc in spirals, working directly on, but doubling each st., thus work 2 dc into each st. of previous round.

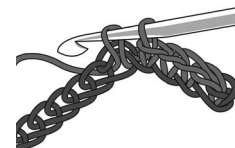

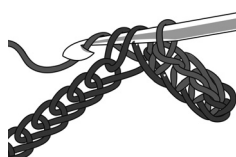

Round 3: double every 2nd st., thus work 1 dc into 1st st., and 2 dc into every 2nd st.

Rounds 4-6: work dc without increases.

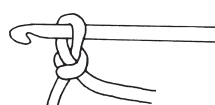

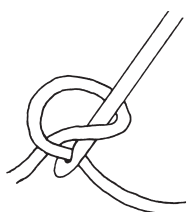

Round 7: position buttons on WS of crochet circle and crochet in position as foll: work dc, and to decrease work 2 sts. together throughout. Join round to a ring with 1 sl-st, leaving a long thread hanging and use to sew button to center of gathers so that it lies flatter. Crochet button to other side of pencil case, and sew in position.
