### Tension

17 sts and 34 rows to 10 cm over garter st, using 6.00mm Needles. To work a 15 cm x 15 cm tension square, use 6.00mm Needles, cast on 25 sts. Work 50 rows garter st. Cast off loosely.

Check your tension before starting your garment. If there are too many stitches to 15 cm, your tension is tight and you should change to a larger size needle. If there are too few, your tension is loose and you should change to a smaller size needle. It is essential to work to the stated tension, and we cannot accept responsibility for the finished product if any yarn other than the specified yarn is used.

### M1 - MAKE 1

Pick up the loop which lies before the next stitch, place the loop on left hand needle and knit (or purl) into back of loop. This twists the stitch and prevents a hole from appearing at this point.
